How Consumer Rights Affect this Plan

THE BENEFITS CONFERRED BY THIS PLAN ARE IN ADDITION TO ALL RIGHTS AND REMEDIES PROVIDED UNDER CONSUMER PROTECTION LAWS AND REGULATIONS. THIS PLAN SHALL NOT PREJUDICE THE RIGHTS GRANTED BY APPLICABLE CONSUMER LAW, INCLUDING THE RIGHT TO RECEIVE REMEDIES UNDER STATUTORY WARRANTY LAW AND TO SEEK DAMAGES IN THE EVENT OF THE NON-PERFORMANCE BY APPLE OF ANY OF ITS CONTRACTUAL OBLIGATIONS.

1. The Plan

This contract (the "Plan") governs the services provided to you by Apple and includes the terms in this document. For purchased Fixed-Term or Annual Plans, the Plan also includes your Plan Confirmation ("Plan Confirmation") and the original sales receipt for your Plan. Your Plan Confirmation will be provided to you at the time of purchase or sent to you automatically thereafter. For Complimentary Cover (see below), your Plan includes your electronic proof of coverage or, if you have elected to receive hardcopy documents, the original proof of purchase of the Covered Equipment (collectively, the "Proof of Coverage"). Your Proof of Coverage will be provided to you at the time you purchase your Covered Equipment or sent to You automatically thereafter. You may obtain a copy of your Plan Confirmation or Proof of Coverage by going to mysupport.apple.com/products.

Benefits under this Plan are additional to your rights under applicable laws, the manufacturer's hardware warranty and any complimentary technical support. The terms of the Plan apply the same whether for the complimentary 7-day coverage ("Complimentary Cover") (see below), or a purchased fixed term of coverage ("Fixed-Term Plan") or an annual recurring term of coverage ("Annual Plan"), except where otherwise noted. Your Fixed-Term Plan or Annual Plan may be paid by you or a third party who finances your Plan (a "Plan Payment Provider").

The Plan covers the following equipment (collectively, the "Covered Equipment"): (i) the Apple-branded Mac computer or display listed on your Plan Confirmation (including any Apple-branded stand and/or VESA mount included with or purchased at the same time as your Apple-branded display), and the Apple-branded accessories contained inside the original packaging ("Covered Device"), and (ii) an Apple-branded mouse, Magic Trackpad, and/or Apple-branded keyboard if included with the Covered Device (or purchased with a Mac mini, Mac Pro, or Mac Studio) an Apple-branded VESA mount and/or stand if included or purchased with a Mac Covered Device, Apple memory modules (RAM) and an Apple USB SuperDrive ("Mac Accessories") if used with the Covered Device and originally purchased no earlier than two years before the Covered Device purchase. The Covered Equipment must have been purchased or leased as new from Apple or an Apple Authorised Reseller. Where legal ownership of the Covered Equipment has been transferred to You, the Plan must have been transferred to You pursuant to Section 10. Covered Equipment includes any replacement product provided to You by Apple under Sections 3.1 or 3.2 of this Plan.

This Plan is intended to and does only apply to Your Covered Equipment. This Plan is not for Your commercial use and may not be used by You in furtherance of any private gain including, but not limited to, seeking service for devices owned by others and which are not covered by this Plan. For the avoidance of doubt, other than as provided under Section 10 of this Plan, You may not sell, transfer, subcontract, delegate, or assign any of Your rights under this Plan. Apple has the right to monitor Your service requests to ensure compliance. Breach of this condition will result in cancellation of this Plan.

2. Plan Term and Renewal

This Plan provides cover on a Complimentary basis or pursuant to your purchased Fixed-Term Plan or Annual Plan. The type of coverage you have will be specified in your Plan Confirmation or Proof of Coverage.

As further explained below, for Complimentary Cover the Plan coverage begins when you purchase Covered Equipment and continues for seven (7) days from the date of purchase of the Covered Equipment. For Fixed-Term Plans and Annual Plans, the Plan begins when you purchase the Plan and continues through the date specified in your Plan Confirmation (the "Plan Term").

2.1 Complimentary Cover

Upon purchase of Covered Equipment, you may receive seven (7) days of Complimentary Cover under this Plan. As stated in your Proof of Coverage, the Complimentary Cover will start on the date the Covered Equipment was purchased and terminate at midnight on the 7th day (i.e., one week) after the purchase date of the Covered Equipment ("Complimentary Term"). If you received Complimentary Cover, upon termination of the Complimentary Term, you may purchase either an Annual Plan or Fixed-Term Plan, which will take effect on the date that plan is purchased. For purposes of clarification, Complimentary Cover will end on expiration of the Complimentary Term.

Unless specified otherwise in these Plan terms and conditions, the Complimentary Cover will be subject to all of the rights, benefits, and obligations provided by this Plan, including priority access to telephone and web-based technical support for Covered Equipment, additional hardware service options, consumed battery, and coverage for unlimited incidents of accidental damage that occur and are Reported to Apple during the 7-Day Complimentary Term. For purposes of clarification, (i) the accidental damage cover, priority access to Technical Support as well as access to the additional hardware service options and consumed battery coverage provided under the Complimentary Cover end on expiration of the Complimentary Term and (ii) if seeking Accidental Damage from Handling (ADH) services under the Complimentary Term, any ADH must occur and be Reported to Apple during the Complimentary Term.

2.2 Annual Plans

For Annual Plans, your Plan term is for a 12-month (i.e., one (1) year) term of coverage that, subject to the provision of a renewal notice, automatically renews every 12 months, unless cancelled earlier in accordance with Section 9 of this Policy, and which is paid for on a yearly, recurring basis. In the event that Apple is no longer able to service your Covered Equipment due to the unavailability of service parts, Apple will provide you with thirty (30) days' prior written notice of non-renewal, or as otherwise required by law, prior to the expiry of the applicable 12-month period. Annual Plans may not be available for all Covered Devices.

2.3 Fixed-Term Plans

Fixed-Term Plans are paid for on a one-time basis by You or via a payment plan agreement with a Payment Plan Provider for a 36-month term of coverage for the Covered Equipment. Apple is not obligated to renew your Fixed-Term Plan and will advise you when your Fixed-Term Plan is coming to an end and whether it will offer renewal. If Apple does offer to renew, Apple will advise you of any new pricing and terms which you are free to accept or reject.

For Annual Plans and any Fixed-Term Plan paid in installments (where available), you agree to have the credit card, debit card or other authorized payment source *i.e.* Apple Pay (the "Payment Source") used for your initial Plan purchase (or your first Plan payment where not otherwise paid for by a Plan Payment Provider) kept on file to automatically charge in advance of the first day of each renewal term or installment billing period (as the case may be) following your initial

payment. If your Payment Source cannot be charged for any reason, and you have not otherwise made the appropriate payment on time, Apple will advise you that your Plan coverage will be cancelled from the date advised to you in a notice of cancellation. Subject to applicable law, Apple has the right, but not the obligation, to accept any late payment and allow your Plan to continue from the date of late payment.

You can find the price of the Annual or Fixed-Term Plan on the original sales receipt as provided by Apple or another seller from whom you've purchased your Plan (a "Reseller").

3. What is Covered?

3.1 Hardware Services for Defects or Consumed Battery ("Hardware Service")

If during the Complimentary Term or Plan Term, you submit a valid claim by notifying Apple that a defect in materials and workmanship has arisen in the Covered Equipment or, in relation to Covered Equipment which uses an integrated rechargeable battery, where the capacity of the Covered Device's battery to hold an electrical charge is less than eighty percent (80%) of its original specifications, Apple will, at its discretion, either: (i) repair the defect at no charge, using new parts or previously used genuine Apple parts that have been tested and pass Apple functional requirements, or (ii) exchange the Covered Equipment with a replacement product that is new or comprised of new and/or previously used genuine Apple parts that have been tested and pass Apple functional requirements.

All replacement products provided under this Plan will at a minimum have the same or substantially similar features (e.g., a different model with the same features, or the same model in a different color) as the original product. If Apple exchanges the Covered Equipment, the original product becomes Apple's property and the replacement product is your property, with coverage effective for the remainder of the Complimentary Term or Plan Term, and the replacement Apple-branded device will become the new Covered Equipment under this Plan.

Apple may use Covered Equipment or replacement parts for service that are sourced from a country that is different from the country from which the Covered Equipment or original parts were sourced.

The Covered Equipment can only be repaired or replaced and no cash benefit will be payable by AIG if You make a claim.

3.2 Services for Accidental Damage from Handling ("ADH Service")

If, during the Complimentary Term or Plan Term, you submit a valid claim by notifying Apple as set out in Section 5 of this document that the Covered Equipment has failed due to accidental damage from handling resulting from an unexpected and unintentional external event (for example, drops and damage caused by liquid contact from spills) ("ADH"), Apple will, subject to your payment of the service fee described below, make a reasonable determination and based on the level of ADH whether to (i) repair the defect using new parts or previously used genuine Apple parts that have been tested and pass Apple functional requirements, or (ii) exchange the Covered Equipment with a replacement product that is new or comprised of new and/or previously used genuine Apple parts that have been tested and pass Apple functional requirements. All replacement products provided under this Plan will at a minimum have the same or substantially similar features (e.g., a different model with the same features, or the same model in a different color) as the original product. If Apple exchanges the Covered Equipment, the original product becomes Apple's property and the replacement product is your property, with coverage effective for the remainder of the Complimentary Term or Plan Term. The replacement Apple-branded device will become the new Covered Equipment under this Plan.

Apple may use Covered Equipment or replacement parts for service that are sourced from a country that is different from the country from which the Covered Equipment or original parts were sourced.

The Covered Equipment can only be repaired or replaced, and no cash settlement is available.

Each ADH service you receive is a "Service Event" subject to the service fees specified below.

For Annual and Fixed-Term Plans, this Plan entitles you to unlimited Service Events for ADH that occurs and is submitted in accordance with Section 7 to Apple whilst the Plan is active, up to the date the Plan is cancelled or otherwise terminated, each subject to a service fee as set out in Section 3.2. Requests for a Service Event, where such event occurred after the Plan has been cancelled or terminated will not be covered by the Plan.

For the Complimentary Cover, you are entitled to unlimited Service Events during the Complimentary Term provided the ADH occurs and is Reported to Apple during the Complimentary Term. Reported in defined in section 7.

Important: Please refer to Section 4 for exclusions on provision of ADH Service.

For all coverage plans (i.e., Complimentary, Annual, and Fixed-Term Plans), the following service fees apply to each Service Event:

	Mac	Apple Display
Tier 1 ADH Service Event - Screen Only ADH Damage - External Enclosure-only ADH Damage	A\$149	A\$149
Tier 2 ADH Service Event - Other Accidental Damage from Handling	A\$429	A\$429

**Fees include applicable taxes payable by you*

To qualify for the Tier 1 ADH Service Event fee, the Covered Equipment must have no additional damage beyond the screen-only damage (if applicable) or the external enclosure-only damage where such additional damage would prevent Apple from repairing the display or external enclosure. ADH damage to the Apple-branded stand and/or VESA mount used with your Apple-branded display will be treated as external enclosure-only ADH damage. Covered Equipment with additional damage will be charged the price of the Tier 2 ADH Service Event.

The ADH Services under the Plan is provided to you as a beneficiary under a group policy of insurance which Apple has entered into with AIG Australia Limited (ABN 93 004 727 753, AFS Licence No 381686) of Level 13, 717 Bourke Street, Docklands Vic 3008, Australia (as "Insurer").

Please note that if you seek service under this Plan for ADH in a country other than Australia, the service fee or local equivalent fee may need to be paid in that country's currency and at that country's applicable rate – for further details please visit the AppleCare+ support website at apple.com/au/legal/sales-support/applecare/applecareplus/au/mac/ and select the appropriate device and location in which you seek service to view the applicable terms and fees.

Note, Service Fees are payable during the Complimentary Term and are payable as your contribution to the cost of, as applicable, the repair or replacement of the Covered Device.

3.3 Technical Support

During the Complimentary Term or Plan Term, Apple will provide you with priority access to telephone and web-based technical support for Covered Equipment ("Technical Support"). Technical support may include assistance with installation, launch, configuration, troubleshooting, and recovery (excluding data recovery), including storing, retrieving, and managing files; interpreting system error messages; and determining when hardware service is required or ADH coverage may be applicable. Apple will provide support for the then-current version of the supported software, and the prior Major Release. For purposes of this section, the term "Major Release" means a significant version of software that is commercially released by Apple in a release number format such as "1.0" or "2.0" and which is not in beta or pre-release form.

Apple Technical Support is limited to the following: (i) the Covered Equipment, (ii) the Apple-branded Operating System ("macOS") and Apple-branded software applications that are pre-installed on or designed to operate with the Covered Equipment ("Consumer Software"), and (iii) connectivity issues between the Covered Equipment and a computer or device that meets the Covered Equipment's connectivity specifications and runs an operating system supported by the Covered Equipment. **Exclusions apply as described below.**

4. What is not Covered?

4.1 Hardware Service and ADH Service

Apple may restrict Hardware Service and ADH Service to the country where the Covered Equipment was originally purchased.

Apple will not provide Hardware Service or ADH Service in the following circumstances:

- (a) To protect against normal wear and tear, or to repair cosmetic damage not affecting the functionality of the Covered Equipment;
- (b) To conduct preventative maintenance;
- (c) To replace Covered Equipment that is lost or stolen;
- (d) To repair damage, including excessive physical damage (e.g., products that have been crushed, bent or submerged in liquid), caused by reckless, abusive, willful or intentional conduct, or any use of the Covered Equipment in a manner not normal or intended by Apple;
- (e) To install, remove or dispose of the Covered Equipment or the equipment provided to you while the Covered Equipment is being serviced;
- (f) To repair damage caused by a product that is not Covered Equipment;

- (h) To repair pre-existing conditions of the Covered Equipment prior to the inception of the Plan in circumstances where you purchased the Plan after you purchased the Covered Equipment;
- (i) To repair any damage to Covered Equipment with a serial number that has been altered, defaced or removed;
- (j) To repair damages caused by fire, earthquake, flood, or other natural disasters such as wildfire, flood or hurricane;

- (l) Other than covered losses specifically stated in this Plan, the loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate any electronic hardware or software, or components thereof, that are used to store, process, access, transmit, or receive information within Covered Equipment as a result of any cause or loss, including any unauthorized access or unauthorized use of such system, a denial of service attack, or receipt or transmission of malicious code;

- (m) The loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate any electronic data stored within Covered Equipment, including any such loss caused by unauthorized access or unauthorized use of such data, a denial of service attack, or receipt or transmission of malicious code;
- (n) to cover any incidental, indirect, special or consequential loss or damage arising out of or in connection with the use or performance of the Covered Equipment; or
- (o) If You are seeking service for a device under this Plan for a commercial purpose in furtherance of Your own financial gain, including if you have sold, transferred, subcontracted, delegated, or assigned any of Your rights under this Plan (except as provided under Section 10 of this Plan).

Installation of non-genuine Apple parts may affect your coverage and may result in your claim being declined. As a condition of receiving Hardware or ADH Service, all Covered Equipment must be returned to Apple in its entirety including all original parts or Apple-authorized replacement components. The restriction does not prejudice your consumer law rights.

4.2 Technical Support

Apple will not provide Technical Support in the following circumstances:

- (a) For use or modification to the Covered Equipment, the macOS, or Consumer Software in a manner for which the Covered Equipment or software is not intended to be used or modified;

- (e) For software other than the macOS or Consumer Software;
- (f) For any Consumer Software designated as "beta", "pre-release," or "preview" or similar designation;
- (g) For damage to, or loss of any software or data that was residing or recorded on the Covered Equipment (note: the Plan does not cover the recovery or reinstallation of software programs and user data);

- (j) The loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate any electronic data stored within Covered Equipment, including any such loss caused by unauthorized access or unauthorized use of such data, a denial of service attack, or receipt or transmission of malicious code.

5. How to Obtain Service and Support?

You may obtain any service under this Plan or Technical Support by calling Apple at 1-300-321-456 or accessing support.apple.com/en-au.

With respect to Complimentary Cover, You must Report any ADH claim to Apple by contacting Apple at support.apple.com/en-au or creating a Genius Bar appointment.

For ADH claims under Annual or Fixed-Term Plans, You must submit any ADH claim by visiting an Apple retail store or an Apple Authorised Service Provide, by calling Apple at 1-300-321-456, or

by accessing support.apple.com/en-au.

When You Report or otherwise submit a claim, You may be required to provide an explanation of where and when the accident occurred with a detailed description of the actual event. If Your claim is approved, You will have to pay the relevant service fee to Apple.

You must comply with all terms and conditions of this Plan to receive service or support, including but not limited to, Your responsibilities set out in Section 7 below.

6. Service Options

Apple will provide Hardware or ADH Service to you through one or more of these options:

(a) Carry-in service. Carry-in service is available for most Covered Equipment. Return the Covered Equipment to an Apple-owned retail store location or to a service provider authorized by Apple that offers carry-in service. Service will be performed for you at the store, or the store may send the Covered Equipment to an Apple repair service ("ARS") site for service. You must promptly retrieve the Covered Equipment.

(b) Onsite service. Onsite service is available for many desktop and portable computers as well as for the Apple-branded display if the location of the Covered Equipment is within 80 kilometres radius of an Apple Authorised Onsite Service Provider (a third-party service provider appointed as Apple's agent to handle certain claims). Certain parts serviceable under do-it-yourself parts service, as described below, are not eligible for onsite service. If Apple reasonably determines that onsite service is available, Apple will dispatch a service technician to the location of the Covered Equipment. Service will be performed at the location, or the service technician will transport the Covered Equipment to an Apple Authorised Services Provider ("AASP") or Apple Repair Service ("ARS") location for repair. If the Covered Equipment is repaired at an AASP or an ARS location, Apple will arrange for transportation of the Covered Equipment to your location following service. If the service technician is not granted access to the Covered Equipment at the appointed time, any further onsite visits may be subject to an additional charge.

(c) Mail-in service. Direct mail-in service is available for most Covered Equipment. If Apple reasonably determines that your Covered Equipment is eligible for mail-in service, Apple will send you prepaid waybills (and, if needed, packaging material). You must ship the Covered Equipment to an ARS site in accordance with Apple's instructions. Once service is complete, the ARS site will return the Covered Equipment to you. Apple will pay for shipping to and from your location if you follow all instructions.

(d) Do-it-yourself ("DIY") parts service. DIY parts service is available for many Covered Equipment. This allows you to service your own Covered Equipment. In any case, Apple is not responsible for any labour costs you incur in respect to DIY parts service. If DIY parts service is available, the following process will apply:

(i) Service where Apple requires return of the replaced Covered Equipment part. Apple may require a credit card authorization to serve as security for the retail price of the replacement Covered Equipment part and applicable shipping costs. If you are not able to provide credit card authorization, service may not be available to you and Apple will offer an alternative arrangement for service. Apple will ship a replacement Covered Equipment part to you with installation instructions, if applicable, and any requirements for the return of the replaced Covered Equipment part. If you follow the instructions, Apple will cancel the credit card authorization, so you will not be charged for the Covered Equipment part and shipping to and from your location. If you fail to return the replaced Covered Equipment part as instructed or return a replaced product, part or accessory that is ineligible for service, Apple will charge the credit card for the authorized amount.

(ii) Service where Apple does not require return of the replaced Covered Equipment part. Apple will ship you free of charge a replacement Covered Equipment part accompanied by instructions for installation, if applicable, and any requirements for the disposal of the replaced part.

Should you require further assistance, you should contact Apple at the telephone numbers listed below.

Apple may and when reasonably required change the method by which Apple provides repair or replacement service to you, and your Covered Equipment's eligibility to receive a particular method of service.

Service will be limited to the options available in the country where you request service. Service options, parts availability and response times may vary. If service is not available for the Covered Equipment in a country that is not the country of purchase, you may be responsible for shipping and handling charges to facilitate service in a country where service is available. If you seek service in a country that is not the country of purchase, you must comply with all applicable import and export laws and regulations and be responsible for all custom duties, G.S.T. and other associated sales taxes and charges. For international service, Apple may repair or exchange products and parts with comparable products and parts that comply with local standards.

7. Your Responsibilities

To receive Hardware and ADH service under an Annual or Fixed-Term Plan, you agree to (i) provide your Plan Agreement Number and a copy of your Plan's original proof of purchase, (ii) provide information which is reasonably available about the symptoms and causes of the issues with the Covered Equipment, (iii) respond to all reasonable requests for information needed to diagnose or service the Covered Equipment, (iv) follow all reasonable instructions Apple gives you, (v) where practicable update software to currently published releases prior to seeking service, and (vi) back up software and data residing on the Covered Equipment. Depending on the prejudice suffered by Apple or the Insurer, your failure to carry out the above may result in you not receiving service or support.

To receive service or support under a Complimentary Term, you agree to (i) provide your Proof of Coverage, (ii) proof of purchase of the Covered Equipment showing the date the Covered Equipment was purchased, (iii) provide information about the symptoms and causes of the issues with the Covered Equipment, (iv) respond to requests for information needed to diagnose or service the Covered Equipment, (v) follow instructions Apple gives you, (vi) where practicable update software to currently published releases prior to seeking service, and (vii) back up software and data residing on the Covered Equipment.

Requests for ADH Service Events, where such event occurred after the Plan has been cancelled or terminated will not be covered by the Plan.

To receive ADH services under the Complimentary Term, any ADH must occur and be Reported to Apple during the Complimentary Term. **With respect to the Complimentary Term, Reported means that you have (i) contacted Apple at support.apple.com/en-au or created a Genius Bar appointment and (ii) received a Case ID for your incident. To be clear, you must receive a Case ID for your ADH claim to be Reported. ADH incidents Reported to Apple beyond the Complimentary Term will not be covered.**

DURING HARDWARE SERVICE, APPLE WILL DELETE THE CONTENTS OF THE COVERED EQUIPMENT, REFORMAT THE STORAGE MEDIA, AND REINSTALL THE COVERED EQUIPMENT'S ORIGINAL SOFTWARE CONFIGURATION AND SUBSEQUENT UPDATE RELEASES, WHICH WILL RESULT IN THE DELETION OF ALL SOFTWARE AND DATA THAT RESIDED ON THE COVERED EQUIPMENT PRIOR TO SERVICE. You should ensure where possible that Your software and data residing on the Covered Equipment is backed up on a regular basis and prior to making a claim. Apple will return your Covered Equipment or provide a replacement as the Covered Equipment was originally configured, subject to applicable updates. Apple may install macOS updates as part of hardware service that will prevent the Covered Equipment from reverting to an earlier version of the macOS. Third party applications installed on the Covered Equipment may not be compatible or work with the Covered Equipment as a result of the macOS update. You will be responsible for reinstalling all other software programs, data and passwords.

8. Exclusion

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, APPLE AND ITS EMPLOYEES AND AGENTS, AND THE INSURER, WILL UNDER NO CIRCUMSTANCES BE LIABLE TO YOU OR ANY SUBSEQUENT OWNER OF THE COVERED EQUIPMENT FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO THE COSTS OF RECOVERING, REPROGRAMMING, OR REPRODUCING ANY PROGRAM OR DATA OR THE FAILURE TO MAINTAIN THE CONFIDENTIALITY OF DATA, ANY LOSS OF BUSINESS, PROFITS, REVENUE OR ANTICIPATED SAVINGS, RESULTING FROM APPLE'S OR THE INSURER'S OBLIGATIONS UNDER THIS PLAN. SOME STATES OR PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO SOME OR ALL OF THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.
